## Autism Risk & Safety Management

*Presented by:*

### Dennis Debbault

*Autism Trainer for Law Enforcement & Emergency Responders*

Autism Risk & Safety Management training sessions help law enforcement, emergency response and criminal justice professionals recognize the behaviour symptoms and characteristics of a child or adult who has autism, learn basic response techniques, learn about the high risks associated with autism and will offer suggestions and options about how to address those risks, increase officer and citizen safety, and avoid litigation. Dennis identifies issues of risk and provides strategies to manage ASD risks at home, school & in the community and will directly speak to the benefit of an Autism Registry.

*for professionals, first responders, families, caregivers,  
educators & service providers*

**When: Thursday, April 1**

**When: 2:00 - 4:30pm**
